- No member shall be eligible to play in any major event of the golf club if he has not returned THREE (3) Barnwell Park Member's Singles Competition Cards in the twelve months prior to the event. - Women must have at least THREE live cards at January 1 each year to retain a GA handicap.

10. Junior Participation in Club Event

- The maximum number of juniors allowed to participate in any one group in an “open” (adult) club event is THREE. An adult Member must accompany them unless they have the permission of the Club Captain.
- For a stand-alone junior competition, there must be a minimum of FOUR participants.

11. Eligibility of Professionals

- Professional golfers cannot win or qualify for any of the major events of the club.

12. Completed Cards

- Players must return their completed cards within 15 minutes of completing their round. It is a condition of the competition that players must enter their own scores into the computer (when available).
- Only a fellow competitor is eligible to be a marker during Major Events, their qualifying rounds and Monthly Medal rounds.
The fellow competitor must be a competitor in the SAME competition as the player.
(Penalty for breach is disqualification).

13. Handicaps

- Handicaps are revised in accordance with the Rules of Golf and are subject to change at any time. In order to assist the Handicappers, members should return cards for all rounds played, ensuring their name and Golfink number are legible. The current grades are listed below.
 - Men: Daily Handicaps (A + – 12) (B 13 – 19) (C 20 – 54).
 - Women's Divisions: Club Events and Club Championships Daily Handicaps (i 0 – 23) (ii 24 – 31) (iii 32 – 54). GNSW Medals GA Handicaps (i 0 – 20) (ii 20.1 – 29) (iii 29.1 – 54).

14. Deciding Ties

- Ties in events will be decided whenever possible by replay. If the Committee considers this to be not possible or is otherwise specified in the event's Conditions of Play, the following count back method

shall apply:

- For 18 hole stroke events, the best score on the last 9 holes (1/2 handicap). If there is still a tie, the best score on the last 6 holes (1/3 handicap). If there is still a tie, the best score on the last 3 holes (1/6 handicap). If a tie still exists, a hole by hole count back from the 18th hole shall take place. For events other than stroke, the procedure as mentioned shall apply without handicap deduction.
- For events of greater than 18 holes, the above procedure shall apply for the last 18 holes of the event.

15. Priority on the Course

- Pairs, threesomes and foursomes shall have precedence over and be entitled to pass any other kind of match. A single player has no standing and should give way to a match of any kind. Any match playing for a whole round is entitled to pass a match playing a shorter round.
- To assist in the smooth and free flow of competitions, players are asked to give preference to a player from another fairway, especially when FOUR players are to hit off.

16. Eliminating Slow Play

- Let the group behind through at your earliest convenience, do not wait to be asked.●
- In all Par or Stableford events, pick up when a score is no longer possible.
- Directly it is your turn to play, do so at once. Practice swings should be limited by discretion.
- Study your line on the putting green while others are putting. You do not have to move about to do this, but you have to get to the position of your ball before the first player putts. The player nearest the hole should attend the flag then pass it onto the first player to hole out.
- When the result of a hole has been determined, players should immediately leave the green.
- Record scores on the card while waiting to tee off at the next hole.
- Leave buggies adjacent to the approach to the next tee.
- Players searching for a ball should immediately call the following players through, and in accordance with the rules have 3 minutes to search.
- Your position in the field is behind the group in front, not ahead of the

group behind.

17. Compulsory Stop

- When the 9th hole has been completed after the club opening times, a compulsory short stop is in effect for all players. Players are to move on when the following group enters the clubhouse. Players must not allow the preceding group to get more than the required distance ahead. Food and drinks purchased should be appropriate to the shortness of the stop.

18. Calling On

- Players who “call on” do so at their own risk.

19. Care of the Course

- It is the responsibility of all players to fill in divots, repair lob marks on greens and smooth out bunkers.

Eligibility for Representative Events

- For players to be eligible to represent Barnwell Park in any Pennant Competition they must have submitted FIVE (5) Barnwell Park Member's Singles Competition Cards in the previous twelve months prior to the competition.

GOLF COMPETITIONS AND HANDICAP APPLICATIONS

General Stroke Events

All singles, 2 ball, pairs, team and 4 ball stroke, par and stableford events are played off full Daily handicaps, unless stated otherwise.

Foursomes

Two players play as partners using one ball. The partners tee off alternate tees and thereafter play the ball in turns until holed. The pair's handicaps are combined and halved to establish their handicap for the event.

Ambrose

A team event usually played with 2, 3 or 4 players (3 player teams are allowed in 4 player events). All players tee off. The best tee shot is selected, and all players play from that point. The procedure of selecting the best position continues until the ball is holed.

Conditions of Play

- Play from the fairway (mown portion) — players are to place their ball within one club length, either side of the selected ball, no nearer the hole.
- Play from the rough — players are to place their ball within one club length, either side of the selected ball, no nearer the hole. All players must play from the rough.
- Play from bunkers/hazards — players are to place their ball within one club length, either side of the selected ball, no nearer the hole. All players must play from the bunker/hazard.
- On the green — players are to putt and mark, remembering that once the ball is holed, the hole is completed. Players place their ball within one putter head of the selected ball.
- Tee shot rule — in a 4 person Ambrose event all players must have at least 3 of their tee shots used in the round, in a 3 person Ambrose event all players must have 4 of their tee shots used in the round. In a two ball Ambrose event a 6 tee shot rule applies. The players who tee off on each of the 18 holes must be shown on the scorecard (initials are satisfactory).
- Handicap applications - 4 person Ambrose 1/8 of combined handicaps, 3 person Ambrose 1/6 of combined handicaps, 2 person Ambrose 1/4 of combined handicaps.
- If less than 4 players in a 4-person Ambrose team, the team still gets 4 putts when ON the green – the team can choose who has the extra putt(s).

Aggregate Pairs Event

Competitors in an aggregate pair's competition are fundamentally playing an individual stroke event, strictly in accordance with the relevant Rules of Golf. Neither is considered a partner of the other. Pairs are to be determined prior to tee

off and the starter informed.

2 Ball or Group Stroke, Stableford and Par Events

Pairs for the 2 Ball events are determined prior to tee off and the starter informed. Players one and two on the booking sheet make a pair as do players three and four. The better score of the partners is the score recorded for the hole. In the event of partners having the same score then the first one to finish or the best scratch score are recorded. **2 Ball best ball is not a team game advice is not allowed.**

4 Ball Stroke, Stableford and Par Events

Partners are determined prior to tee off and the starter informed. The better score of the partners is the score recorded for the hole. **Four ball is same as 2 ball best ball, however you are a team and can give advice**

Criteria for four ball events

1. Ensure you have a partner before entering in the competition
2. No swingers permitted — disqualification

Swingers in 2 Ball & Pairs Events.

If a swinger is required in a 2 Ball or Pairs events a decision will be made between the players as to which player will be the swinger prior to tee off, and the starter informed.

BARNWELL PARK GOLF CLUB LTD BY-LAWS

Members are advised that the By-Laws of this club as set out hereunder must be observed. Failure to do so could result in action being taken against offenders.

1. All members and visitors will observe the Etiquette of Golf as referred to in Section One of the Rules of Golf.
2. Any member who has agreed to participate in an event in which that member is representing the Club and who fails to participate without having first notified the Event Manager, Club Captain, Vice-Captain or member of the relevant Match Committee (MC), then that member may at the discretion of the Board of Directors be guilty of conduct unbecoming of a member of the Club.
3. Any member who repeatedly places their name on the booking sheet and then fails to present themselves to play golf at the nominated time without having first notified the Starter, then that member may at the discretion of the Board of Directors be guilty of conduct unbecoming of a member of the Club.
4. Members are not permitted to participate in club competitions without a sand bucket. All members are required to carry a sand bucket at all times with the appropriate fill, as supplied, and use the fill for the filling of divots on tees and fairways.
5. All members shall repair lob marks on the greens.
6. When a group fails to maintain their position in the field and falls more than one (1) hole behind (& does not invite the following group to pass through either voluntarily or by request from the following players), EACH PLAYER in that group may, at the discretion of the Club Captain, relevant Vice-Captain or relevant MC, be PENALISED TWO (2) STROKES for failing to observe the rules of golf.
7. Complaints on any golfing matter are to be in writing and be handed to the Captain, relevant Vice-Captain or relevant MC immediately on completion of the round, or if not available, to the bar staff with instruction that they must provide the written complaint to a Committee member at the first opportunity. Complainants should advise the other party of their

intentions to report the matter to the MC.

8. All members shall comply with the following dress regulations. The following dress is not permitted on the golf course at any time: training or athletic shorts; denim shorts or jeans; singlets; thongs or football gear (i.e. shorts, jumpers or socks).

Ladies must not wear leotards, brief tops or brief shorts at any time. Whilst men cannot wear denim shorts, neat tidy shorts including denim are acceptable attire for ladies as long as they are not brief and not the 'blue jean' type of shorts. These rules will apply to all members and visitors.

9. Rake all bunkers carefully and evenly after playing from them. Leave the lie that you would want for yourself. Replace with rake fully into the bunker with the handle pointing away from the centre of the bunker. Try to push sand away from the edge.

10. The lowest marker in any group on the course is deemed responsible for the conduct and etiquette of the group. *This includes managing slow play.*

11. Should a player or marker be in doubt as to a rule of golf or a local rule applicable to a particular incident in the course of play, that player must immediately upon returning to the Clubhouse report the facts to the Captain, Vice-Captain or a member of the relevant Match Committee for a ruling. In stroke play if in doubt you can proceed under Rule 3-3 and play two balls and note scores for each ball and obtaining a ruling after the round. The card should not be signed until this ruling has been given.

12. It is the responsibility of the "proposer" and "second" immediately a nominee is elected to membership to see that such a new member is introduced to other members, is advised of all pertinent rules of the club and above all, is sufficiently advanced in the knowledge of the Rules of Golf to be competent to perform the duty of "marker" to a fellow competitor. Members should play with their nominee until the nominee is so equipped.
